

## Laurel House 5K

The 9th annual Laurel House 5K is just a few months away, mark your calendar, June 8th! Last year over 300 runners and walkers demonstrated their support for Laurel House by participating in the 5K. The Laurel House 5K was a great success and we couldn't have done it without the support of our community and friends like you.

Why do so many people come out to support Laurel House? Serving all of Wayne County, Laurel House is a comfort care home where residents spend their final days (at no cost to themselves or others) in a highly supportive, warm, and compassionate environment. Since Laurel House opened its doors to residents in March 2019, we have served 140 families of Wayne County.

While there are no costs to the residents or the families who are cared for at Laurel House, we do have operating costs. However, through the time and talent of our many volunteers, the generosity of donors, and fundraising events like the Laurel House 5K, we are providing a needed service to the residents of Wayne County.

Please consider supporting Laurel House as a race sponsor. In addition to the specific sponsorship benefits by donation level, your business will be listed on our online registration page. The live link will be directed to your business website. Kindly fill out and return the attached pledge form. We thank you in advance for your generosity to Laurel House in support of our mission of neighbors helping neighbors during their time of sadness and need.
